### Build It. Scale It. Exit It.

Looking for a SaaS business with proven revenue, loyal customers and genuine upside?

This established tourism technology platform already has paying subscribers, recurring revenue and a product suite built and operational. The foundations are in place. The growth engine is not.

The opportunity is for an entrepreneur, marketer or SaaS operator who can turn a proven platform into a high-growth business.

- Recurring subscription revenue
- Low overheads
- Established customer base
- Proven software platform
- Significant untapped market
- Strong potential for scaling without proportional cost increases

The current owners have built the technology. The next owner can build the growth story.

Ideal for a buyer seeking a scalable technology business with a future capital-gain or exit pathway.

Price expectation \$500K but, a lower entry point could be available for a Purchaser with the capability to deliver high growth.
