Be Charmed By This Motel Opportunity!

We are proud to offer Aachen Place Motel, an attractive well-presented 13-unit motel located in a handy location on the main route into Greymouth from the South (from the glaciers, Haast and Wanaka) and East (via Arthurs Pass & Otira), making it a great situation for travellers. Aachen Place Motel is so handy to all the amenities of central Greymouth. The motel business is complemented by a 3-bedroom on-site Manager's residence.

Our Vendors have committed considerable time and money into upgrading Aachen Place Motel, so a Purchaser can feel comfortable in knowing that everything is well-presented.

This business has produced good returns for our Vendors and that situation is expected to continue into the future. A good lease is in place which will run to 2050.

Here is a motel with everything in place which will appeal to a Purchaser with its presentation and performance. Take this opportunity to make it yours - enquire now!
