

Silviculture Specialist Business for Sale Canterbury

Silviculture Specialists | South Island

Looking for a substantial service business with recurring revenue, long-term contracts, and strong investor appeal?

This established forestry services business has been under current ownership since 2006, delivering specialist solutions to large-scale forestry clients. Generating approximately \$6 million in annual revenue with solid profitability, it presents a proven, systemised operation in a sector supported by ongoing demand.

The business operates across the full forestry lifecycle, creating repeat work and strong forward visibility of earnings. Long-standing client relationships underpin its stability, with several partnerships extending beyond 20 years, reflecting consistent delivery and trusted performance.

Key Highlights:

- * Recurring, contract-based revenue
- * Approx. \$6M annual turnover
- * Strong profitability
- * Long-standing B2B client base
- * Four established field teams
- * Scalable, proven model
- * Broad service offering
- * Strong reputation for reliability
- * Real-time operational reporting
- * Clear growth potential

The scale, profitability, and structured nature of the business may also make it of interest to purchasers exploring Business Investor Visa and Active Investor Plus pathways, although buyers should seek their own independent professional advice regarding eligibility and requirements.

The current owner operates at a strategic level, focusing on client relationships, quoting, and oversight, while an experienced team manages day-to-day delivery. This creates a smooth transition and a solid platform for future expansion.

With proven performance, recurring income, and a respected market position, this is a standout opportunity in a resilient sector. Opportunities of this calibre are rarely available.
