Queenstown and surrounds Regional Cleaning Master franchise with Mr Green with clients in place with the systems to grow.

Mr Green Queenstown Master Cleaning Franchise

Mr Green's Queenstown Master Franchise delivers commercial and home cleaning across New Zealand's fastest-growing district. You'll build and lead a network of local cleaning franchisees while a solid corporate client — around 30 hours a week — is already secured and ready to service from day one.

Queenstown Lakes and central Otago combines a booming resident population with a huge year-round visitor economy, driving constant demand from hotels, holiday lets, offices, restaurants and homes. Backed by Mr Green's proven three-tier system, manuals, training and recruitment support, you grow income by selling local franchises and keeping them supplied with work.

Entry from \$20,000. Full training provided.

Business Resources

Sale includes the Mr Green brand licence, full three-tier franchise system and IP, and a secured corporate cleaning client (~30 hrs/week) ready to service from day one. Comes with the Regional Master Franchise Manual, local franchisee recruitment and vetting tools, marketing templates, and compliant contractor/franchise agreements. Operating systems. Full Head Office training and ongoing support covers recruitment, client acquisition, franchisee onboarding and territory growth — no cleaning or experience required but it is preferred.
