Established Healthy Food Franchise Business for Sale - Wellington Region

Established Healthy Food Franchise Business for Sale - Wellington Region

An exciting opportunity to purchase an established franchise food business operating in the Wellington Region.

This business is part of a nationally recognised brand with established systems, supplier relationships, and ongoing franchisor support. It has built a loyal customer base over many years and includes multiple revenue streams, including retail, catering, and school-related sales.

Business Highlights

1. Well-known national franchise
2. Prime Wellington Region location
3. Strong repeat customer base
4. Established operating systems
5. Fully equipped commercial kitchen
6. Experienced staff in place
7. Training provided by franchisor
8. Suitable for an owner-operator or family business

The business is being sold as the current owners are focusing on expanding another venture.

Further information, including financial performance, business name, and location, will only be provided after a Confidentiality Agreement has been signed.

To enquire, please include:

- Your full name
- Mobile number
- Email address
- Brief background (current occupation/business experience)
- Approximate funds available for purchase or intended finance

Enquiries that do not include the above information may not receive a response.

Serious buyers only.
