Manufacturing Sector Cabinetry, Long-established and Profitable Business - (CML 11578)

Profitable Manufacturing business, established since 1993 and still going strong 33 years later.

The company manufactures a wide range of high-quality bespoke cabinetry for both private and commercial client kitchens, bathrooms, wardrobes, bookcases and built-in cabinet-furniture requirements.

The company comes with extensive plant and equipment assets including hi-tech CNC production machinery plus highly experienced & well-trained staff including qualified cabinetmakers.

This presents an excellent opportunity as a successful standalone operation or as a complementary services offering to be acquired by an existing business.

Consider The Following:

- Profitable Business over decades
- Forward work and good levels of quoting activity
- Customer mix includes Architects, Designers, Building companies and Private Clients
- Well-Established with experienced and qualified Staff in place.

Asking Price \$490,000 (including Stock and WIP)
