

Early Learning Business for Sale Bay of Plenty

Over 20 Years Of Trust, With Genuine Room To Grow

Opportunities with over two decades of goodwill, built on genuine relationships with the families, don't come up for sale often.

This early learning centre in the Bay of Plenty has traded for more than twenty years. Operating within its licensed capacity, this centre gives an incoming owner room to grow enrolments without adding rooms or restructuring the team. Reputable and trusted by the families it works with, most enrolments to the centre are driven by word of mouth with many families returning with younger siblings.

The centre employs a nature-based learning environment, supported by outdoor learning spaces and strong community ties. An experienced teaching team, both fully and provisionally certificated, is already in place, and a mix of government funding and parent fees underpins a stable revenue base. Revenue has also grown around 8.5% in the past year, with profitability improving alongside it.

Key strengths:

- * Over twenty years of trading history and an outstanding local reputation
- * Enrolments within licensed capacity, with room to grow
- * Experienced teaching team in place and settled, holding full and provisional certification
- * Stable revenue combining government funding and parent fees
- * Nature-based learning environment with strong community and whanau ties
- * Established, long-term lease in place

The current owner works around a quarter of the week, with an experienced team handling day-to-day teaching and care. The centre suits an owner-operator ready to lead an established business, or a strategic buyer adding a well-run site to a group. Vendor support is available well beyond settlement, tailored to the buyer's needs.
