

Tourism Operator Business for Sale Skippers

Skippers Canyon Jet | An Iconic Queenstown Adventure Business

\$3,000,000 | Multiple investment and ownership opportunities available

An exceptionally rare opportunity to invest in, or acquire outright, one of New Zealand's most iconic and tightly held adventure tourism operations.

Skippers Canyon Jet holds exclusive commercial jet-boat rights on the upper Shotover River, delivering an experience few tourism businesses in the country can replicate. Deep within the dramatic cliffs of historic Skippers Canyon, the operation combines high-adrenaline jet boating with rich gold-mining heritage, spectacular alpine scenery and a genuine sense of adventure.

Importantly, the opportunity is not limited to a complete acquisition. **Multiple shareholding and ownership structures are available**, providing prospective purchasers with the flexibility to consider anything from a minority investment through to total ownership of the business.

Business Resources

Established, proven and operating year-round, Skippers Canyon Jet offers:

1. Strong brand recognition within the Queenstown tourism market
2. Exclusive commercial jet-boat access to the upper Shotover River
3. A purpose-built fleet of jet boats and specialised 4WD transport
4. An established operating platform and experienced tourism product
5. Demand from both domestic and international visitors
6. Direct online bookings and long-standing tourism trade relationships
7. A premium adventure experience that is exceptionally difficult to replicate
8. Opportunities for further growth through new products, premium experiences and strategic partnerships

This is an opportunity to participate in an established Queenstown tourism business with a distinctive market position, significant barriers to entry and considerable potential for its next chapter.

Whether the objective is a strategic investment, partnership position or complete acquisition, a range of ownership structures can be considered.

Price: \$3,000,000, exclusive of GST (if any).

For full financial information, operational details and further information regarding the available shareholding and ownership structures, qualified parties are invited to request the Information Memorandum and execute a Confidentiality Agreement.
