GLOBAL TECHNOLOGY & SOCIAL MEDIA APP BUSINESS

Global CEO & Company Director/ Shareholder — International Launch

A Rare Global Leadership Opportunity

We are seeking an exceptional **Global CEO and Company Director/ shareholder** to lead the international launch and growth of an innovative technology and social media business.

The business is preparing for a **global launch within 16 weeks of the successful CEO / owner commencing**, supported by an experienced IT, marketing and advisory team.

This is an opportunity for an ambitious, entrepreneurial executive to take a senior leadership role in a business with significant international commercial potential.

THE ROLE

As Global CEO/ shareholder and Company Director, you will be responsible for:

1. Leading the business globally and overseeing its international expansion.
2. Managing and coordinating a global marketing and management team.
3. Leading the launch of the APP and associated products and services within 16 weeks.
4. Developing and executing the global marketing and commercial strategy.
5. Managing **8 Global Regional Managers** across:
 6. USA
 7. Asia-Pacific
 8. Middle East
 9. South America
 10. Europe
11. Each Regional Manager will oversee approximately **10 local affiliate marketing managers**.
12. Working with the New Zealand-based Social Media Manager to coordinate global content, promotion and APP awareness.
13. Building strategic partnerships and commercial relationships internationally.
14. Making senior executive and commercial decisions on behalf of the business.
15. Working closely with the founders, directors, IT team and strategic advisors.
16. Establishing scalable systems for global growth, marketing and revenue generation.

Business Resources

THE BUSINESS

Our technology and social media platform has been developed around a significant commercial opportunity, with products and services designed for a potentially very large international market.

The business has a dedicated IT team and experienced advisors in marketing and management who will provide support, guidance and training.

No software development background is required.

The successful candidate's primary responsibility will be **leadership, management, commercial strategy and global execution**.

A detailed information package will be provided to shortlisted candidates following execution of an appropriate **Non-Disclosure Agreement (NDA)**.

WHO WE ARE LOOKING FOR

The ideal candidate will be:

1. An experienced senior executive, CEO, director, entrepreneur or global marketing leader.
2. Highly experienced in managing people and organisations.
3. Capable of leading large international marketing teams remotely.
4. Commercially minded and entrepreneurial.
5. A strong strategic and operational decision-maker.
6. Confident dealing with international stakeholders.
7. An exceptional communicator and leader.
8. Globally minded, ambitious and highly motivated.
9. Able to demonstrate strong professional credibility and integrity.
10. Comfortable working in a high-growth technology environment.

You **do not need to be an IT specialist**. The business has an IT team and advisors available to support the CEO.

FINANCIAL & COMMERCIAL OPPORTUNITY

The role offers the potential for significant executive remuneration and participation in the commercial success of the business.

Anticipated annual returns are projected at approximately US\$1 million-US\$1.5 million pre-tax, subject to the final structure, performance and commercial results of the business.

The successful candidate will be expected to demonstrate that they have the **financial capacity required for the role and associated business commitments**, as applicable.

All financial and commercial information will be provided confidentially to suitably qualified candidates following the NDA process.

GLOBAL WORKING MODEL

Location: Home-based / Remote

Scope: Global

Leadership: International management team

Launch: Targeted global launch within 16 weeks

You will work closely with:
