

Established Manufacturing Business for Sale Auckland

Established Manufacturer - 40 Years Strong

This consistently profitable manufacturing and installation business has stood the test of time.

The business operates under a well-established and straightforward model. Operating from the same premises for over 20 years, it employs a small team producing products that are in ongoing demand.

Highlights include:

- * Established almost 40 years, with a recognised market position
- * Consistently profitable, with gross profit margins of c55%
- * FY27 trading currently ahead of the comparable FY26 period
- * Highly diversified customer base and established marketing database
- * Strong cashflow model and minimal debtor exposure, with no bad debts over the last five financial years
- * No importing or exporting
- * Experienced and stable team, including key operational staff with lengthy service
- * Modern manufacturing plant, with capacity significantly above current production
- * Significant recent capital investment, with minimal capital expenditure expected over the next few years
- * Can be operated by one working owner without specialist technical or trade skills
- * Owner not 'on the tools'
- * Proven ability to operate at substantially higher turnover and profitability
- * Clear expansion opportunities geographically, digitally and via additional product categories
- * Monday to Friday, single location operation
