

Coffee Cart Franchise for Sale Pukekohe

Streetwise Coffee Franchise

Streetwise Coffee is a franchise business that has been serving great coffee to New Zealanders for over twenty years.

There are 23 carts in New Zealand, providing a recognisable brand.

The Pukekohe cart has been in the same position for over 8 years.

Sales have remained steady throughout challenging economic times, Sales have increased month on month compared to last year and continue to increase. This year seeing growth of 25 percent and increasing.

The cart has a loyal customer base, with ongoing business accounts.

You can run the business how you like, it is very easy to run with very low overheads. Provides a great lifestyle for one working owner. As part of the franchise agreement the working owner must work 30 hours per week.

Sale includes the cart, coffee machine and everything you need to jump straight in. All training provided.

The cart is currently under a fantastic manager and existing staff, reluctant sale, as owners have moved to the South Island.

Please see below link for disclosure agreement, to obtain financials

Streetwise Coffee is a franchise company that operates designer built, takeaway coffee outlets across New Zealand. Streetwise Coffee specialise in street/highway coffee for people on the go and we sell on average 1.5 million coffees a year. That means Streetwise Franchisees serve thousands of loyal customers every day.

Quality coffee and service is the focus. Building the Streetwise Coffee business framework on this commitment is the cornerstone of its success. It has not only grown Streetwise's reputation but also a discerning and loyal customer base. It is this framework, training and support that is passed onto new franchisees.
