

Campervan Rental Company Business for Sale Palmerston North

Turn Your Passion for Adventure Into a Thriving Business with Palmy Campers, an Established New Zealand Campervan Hire Company.

After ten years of running Palmy Campers it's time to pass it on to someone new.

It's been a fantastic business for our family. You get to tinker with vans, chat to customers about their adventures, and business expense trips away in a camper. I've been running it part time as I have a lovely, well trusted, part time staff member who runs the day to day. This is a fun company that fits around family life.

If you've ever fancied running a small, well established business that doesn't chain you to a desk, this might be worth a look. Based in Palmerston North.

Fleet of 11 vehicles.
