

Profitable Shopfitter Business for Sale Christchurch

Profitable Christchurch Shopfitter 30+ NZWide

This Christchurch joinery business has been building bespoke retail and commercial joinery since 1995. Three decades on, the client base keeps coming back - supermarket chains, national retailers, sushi outlets, commercial fit-out operators - driven by reputation, not advertising.

Step into a fully operational, well-equipped factory with established repeat revenue and genuine growth headroom. The production layout is lean by design: raw materials through to spray-coated, quality finished joinery with minimal waste. Thirty years of refinement shows.

The product range covers supermarket and retail fit-outs, reception counters, point-of-sale displays, kiosks, shelving, cabinetry and bespoke commercial joinery. Work arrives through long-standing referral relationships. A 12-month warranty backs every piece that leaves the floor.

Key assets include CNC machinery, qualified joinery capability, design drafting and an on-site spray booth - a genuine competitive advantage that keeps finishing in-house, controls turnaround times and removes third-party dependency.

The right buyer - a trade operator, shopfitter, joinery business scaling capacity, or capable owner-operator - will find a solid, ready platform here. Add sales energy and the growth is real.
