Own a Business in One of New Zealand's Best Regions

Build a business. Live in Marlborough. Enjoy the lifestyle.

This is an exciting opportunity to own and grow an established Green Acres Lawn & Garden business in Blenheim, in the heart of one of New Zealand's most attractive and prosperous lifestyle regions.

Marlborough offers a unique combination of sunshine, outdoor living, strong primary industries, tourism and a growing local economy—creating an excellent environment for a Lawn & Garden business.

Why Blenheim?

One of New Zealand's sunniest locations

The relatively dry climate and warm summers create an ideal environment for outdoor services and year-round garden maintenance.

A region built around outdoor industries

Wine and viticulture, horticulture, farming, forestry and aquaculture are all major contributors to the regional economy, creating a broad base of residential, lifestyle and commercial properties requiring ongoing grounds and property maintenance.
