An Investment Opportunity, More Than a Business, Invest in a Lifestyle - (CML 11605)

Trading since 1998 this upmarket Restaurant's philosophy is to allow locally sourced ingredients to be the heroes in the in-house production of their menu. With half a century of establishment, this Restaurant not only has a strong clientele, but also an increasing visitor market. It has an established dining room / bar and a substantial commercial kitchen with a spacious floor plan and an under-utilised upstairs mezzanine.

This a turnkey platform with identifiable avenues for growth where the new owner could explore private functions, corporate dining, special themed evenings with matching local wines, cooking experiences, catering and retail products.

Currently this Restaurant trades only 5 nights a week; there is opportunity to trade more evenings as well as weekend luncheons.

Why Napier?

- Booming tourist destination in one of New Zealand's sunniest climates, with increasing domestic and international tourists
- World class food and wine region with affordable lifestyle and easy access to all major centres via Napier Airport
- This is more than a business, it is a lifestyle where work and life truly come together
