

Managed B2B Operation with \$1.55M+ EBITDA

Rare, fully managed B2B business with 25+ years of history, preferred contractor status, high barriers to entry, and majority owners seeking retirement. An owner can remain as GM (subject to agreement), while majority owners are hands-off.

Key Features:

1. 15-person team including leadership (GM, Operations, Service Delivery/H&S, Admin) minimizing key person risk.
2. Owned specialised fleet for cost control and minimal hired asset reliance.
3. Strong market position with established relationships, repeat customers, and in-house service delivery.
4. Growth potential via geographic expansion, larger tenders, or new service lines.
5. Low-overhead premises with yard space and favorable lease terms.

Financials: FY2026 EBITDA of \$1,555,000 3-year average EBITDA of ~\$1,329,000 (both post-management costs).
