Asset-Backed Commercial Scaffolding Business

Rarely does a business of this calibre come to market.

Established for over 20 years, this leading Auckland commercial scaffolding, access, and temporary roofing business generates an outstanding profit of \$732,000 and is backed by an independent asset valuation of \$2.76 million.

They have built strong relationships across the commercial construction sector, the business delivers specialised scaffolding, swing stages, and structural access solutions to major builders throughout Auckland.

The business has been semi managed for some time via competent and experienced senior staff including the General Manager & Foreman.

The businesses systems are underpinned by a sophisticated paperless system, resulting in greater operational efficiency, improved safety compliance, and reduced administration overheads.

- Independent Asset Valuation: \$2.76 Million
- 57 % Gross Profit Margin
- Experienced General Manager & Foremen
- Paperless Systems & Industry-Leading Safety Processes
- Strong Pipeline of Commercial Projects
- Significant Growth Opportunities Available

This is a very well-structured operation with established systems, a skilled team, and substantial asset backing, offering both security and profitability.

With the founding owners retiring, the business presents an outstanding opportunity for industry operators, investors, or strategic acquirers seeking a proven, scalable platform.
