Cosmetic & Beauty Clinic Business for Sale Remuera

Price reduced to $49K incl. stock – Remuera cosmetic & beauty clinic, $278K turnover, suits injector or therapist

Boutique cosmetic and beauty clinic on Remuera Road, trading since 2007, with a loyal local clientele and 1,200+ client records.

Price reduced from $125,000 + stock to $49,000 including stock – well below fit-out cost. Offers closing Friday 4 December.

FY26 turnover $278K, achieved with limited injector hours after the previous full-time injector left. Demand is there; an owner-injector controls the biggest revenue lever from day one.

Three income streams: injectables, skin treatments and beauty therapy. Fully fitted, devices and stock included, ready to trade. Suits a nurse injector or beauty therapist owner.

Sale of business assets. The owners run other businesses and are overseas from December. Takeover mid-December or January. Workings available on request.

Business Resources

Experienced senior beauty therapist runs day-to-day operations. Fully fitted treatment rooms and reception. Devices include IPL, DermaFrac, Geno-LED, LED mask and treatment beds. Timely booking system, website and social channels running. Established supplier accounts (Guinot, Aspect Dr, SkinMedica). Stock included. Main-road premises: lease to 2030 with right of renewal to 2035, and 3 dedicated car parks. Full handover at no extra cost, including introductions and supplier account transfers.
