sav, no gst
Turnover: **\$18,941**
Type: **Manufacturing / Home Based**

Part time , work own hours, captive market, enjoyable ,easy sewing patterns, popular bears, cuddly, cute, customer base could be increased.

I buy teddybears in China and dress them in the regalia of the polytech or university colours, copying the student's clothing. I go to the graduations to sell them, most enjoyable day. I sell on Trade me also. Dress some in chefs outfits, korowai, hairdressers , cricketers, also popular.

Business Resources

I have a sewer that helps out when necessary and graduation days need 2 people. I have sewing machines, good iron, cutting table and I have a dedicated tiny house to work in and another room to store the bears.
