Established Thai Restaurant, Run Under Management, Central-East Auckland - (CML 11609)

An excellent opportunity to acquire a well-established Thai Restaurant in a busy modern shopping block in Central-East Auckland. This business occupies a prime position offering main-road visibility and plenty of shared customer parking. A real exciting food hub!

This Restaurant has built a strong online presence and customer following over the years, with its Google Business profile receiving hundreds of customer reviews and a large number of positive and 5-star reviews.

Financials for the year ending 31 March 2026 show average weekly sales of approx. \$14,927. This Restaurant is run under management and this suits the current owner, however this is an ideal opportunity for a hands-on working operator.

The premises are spacious, well presented and feature a large dining area with plenty of seating and a dedicated bar/service area. An on-licence liquor licence is in place. Fabulous wide glass frontage showcases this seated restaurant.

Another standout feature is the large, well-equipped commercial kitchen, featuring a 4-position wok range, 6-burner commercial gas range with oven, extensive commercial extraction, additional cooking equipment and plenty of stainless-steel preparation and working areas. A pleasure to chef in.

The current owners have run this business for approximately 8 years. Successful as a Thai Restaurant but could also suit other styles of cuisine. With a secure lease to 2034, what are you waiting for? Ring today and call Hemant Gupta on 027 2799534 for more information or to arrange a confidential discussion.
