

Coffee News Franchise for Sale Rodney

Reach local customers while they relax, wait - and actually pay attention

Seen in cafés, restaurants & waiting areas across the Hibiscus Coast

- Low Cost
- Only one advertiser per category

Benefits for Local Businesses

- Coffee News will not contain any competing businesses i.e. Exclusive rights granted for each type of business.
- Very inexpensive way to advertise repeatedly in your area, which is necessary to establish trading patterns.
- Equal advert size eliminates the 'big potatoes, small potatoes' type of judgement about advertisers.
- Advert styles complement each other, creating impact.
- The relaxed, fun and positive atmosphere of Cafes and Restaurants creates a positive response to your advert.
- Cafes and Restaurants are a natural source of circulation.
- The Coffee News concept and design was researched extensively to include the many known ad-responses.
- The design and construction costs of your adverts are included in the quoted weekly rates.

Benefits for Cafes, Restaurants and Patrons

- Totally FREE service for selected Cafes, Restaurants and similar outlets.
- Designed specifically for food outlets - held in one hand, short and sweet (7-10 minutes) - not competing tables as long as newspapers or magazines.
- Patrons have something pleasant to do while waiting for their order or if dining alone.
- Fresh edition delivered every week. Patrons begin to look forward to each new edition - repeat customers.
- Coffee News will not contain any competing outlets.
- Local businesses are advised of the Coffee News outlets.
- No contract required - we will withdraw Coffee News immediately if ever requested.
