## Specialist Nursery with Export Reach For Sale

Looking for a well-established horticulture business with strong industry relationships, specialist expertise, and clear growth potential?

Established in the early 1990s, this respected wholesale nursery has built a strong reputation supplying quality liner plants to production nurseries across New Zealand. With decades of trading history, the business enjoys repeat customers, steady demand, and a solid position in its specialist segment.

Based in Auckland, the business produces cutting-grown liner plants ready for potting-on and also services export markets in Great Britain and Europe. This blend of domestic strength and export capability supports a broad and resilient revenue base.

### Key Highlights

- \* More than 30 years of operating history
- \* Trusted supplier to commercial growers nationwide
- \* Strong position in a specialist market
- \* Established export channels into Europe and Great Britain
- \* Reliable indent ordering system driving repeat business
- \* Skilled, stable team with strong operational knowledge
- \* Specialist propagation capability
- \* Well-developed nursery infrastructure
- \* Capacity to expand production on site

An experienced team supports propagation, administration, plant preparation, and dispatch, creating an appealing opportunity for an owner-operator or industry buyer. A new owner can step into a proven operation with established systems, capable staff, and room to grow.

With a trusted reputation, specialist know-how, and expansion potential, this is an outstanding opportunity to acquire a proven nursery business with both domestic and export appeal.
