

Elite Auto Electronics Ltd Business for Sale Christchurch

Elite Auto Electronics Ltd

REIGNITE THIS AUTO EMPIRE

YOUR 36-YEAR SHORTCUT TO MARKET DOMINANCE

Why spend hundreds of thousands and years of stress building a workshop from scratch when you can take the wheel of a proven, high-capacity powerhouse overnight?

Elite Auto Electronics Limited is closing its doors due to the owner's well-earned retirement, leaving behind a goldmine for an ambitious owner-operator, auto electrician, or mechanical business looking to expand rapidly.

This powerhouse has dominated this industry and been well known for its ability to **Diagnose Modern Vehicles** including **EV's and Hybrids**.

The Engine Room: What You're Inheriting

1. **\$650,000 Proven Capacity:** Formerly run with a 3-person team, plus reception generating great revenue stream in a high-demand sector.
2. **36 Years of Loyalty:** Instant access to a massive, locked-in database of trade/business and retail clients who know and trust the brand.
3. **Prime Central City Footprint:** A fully equipped workshop complete with customer reception and lounge area, with a separate large upstairs office/studio, fully self-contained suite ideal to sublet for passive income or run a secondary business.
4. **Ultimate Versatility:** Keep it specialized in high-margin auto electrical, or pivot to include general mechanical servicing and EV diagnostics to dominate the central city market.
5. **Realistically Priced for sale**

The Turnkey Advantage

Everything is staged for a high-impact relaunch. The brand, the reputation, the footprint, and the customer flow are already built—you just need to turn the key, optimize the workflow, and capture the profit.
