Established Outdoor Power Equipment Dealership & Service Centre in the Bay of Plenty Profitable Small Engine Sales & Repair Specialists - (CML 11619)

An outstanding opportunity has arrived to acquire a highly respected, long-established Small Engine and Outdoor Power Equipment business in the thriving Tauranga region. Specialising in the sales and servicing of ride-on mowers, ATVs, and premium hand tools, this business enjoys a stellar local reputation and a deeply loyal, repeating customer base.

Why This Business Stands Out:

- Impressive Financial Returns: Delivering a consistent average EBPIDT of \$89,000 to a working owner
- Excellent Cash Flow Structure: Benefit from a highly advantageous floor-plan dealer finance arrangement for larger retail inventory, allowing you to showcase premium ride-on mowers and ATVs with minimised upfront capital
- Work-Life Balance: Operating on a 5-day trading week only, allows you to enjoy the ultimate Bay of Plenty lifestyle on your weekends
- Turnkey Operations & Secure Tenure: Handed over with a reliable, existing team in place and an excellent, secure commercial lease

Who is the Ideal Buyer?

While mechanical experience with small motors is an advantage, it is absolutely not a prerequisite. A buyer with sharp business acumen, strong customer service skills, and a willingness to learn can seamlessly step into this profitable operation from day one.

Skip the startup risks and take over a proven performer in a growing region.
