Reputable Auckland Canine Services - Business for Sale \$126,311 Average Owner SDE-3 Year Average - (CML 11615)

Love dogs? Love being your own boss? This could be the opportunity you've been waiting for!

An exciting opportunity to take over an established, well-regarded and highly recognisable Canine Services business in Auckland, with a loyal customer base, established team and plenty of room to grow.

This is more than just a list of clients — it's a cool, recognisable brand that has been carefully built with significant investment in branding, social media and digital marketing, creating a strong market presence and loyal following.

Could this be you?

Do you love dogs and have experience working with our four-legged friends? The ideal buyer will have completed a dog handling, canine behaviour or professional dog training course, or be willing to undertake suitable training.

You don't need to know everything from day one — but you do need to be confident and love dogs, willing to learn and ready to get stuck in.

With the brand, customers, staff and systems already in place, you can hit the ground running rather than starting from scratch.

And the best part? There's plenty of room to grow and put your own stamp on this already successful business.
