Established Beauty Business | \$72K Profit | 12,000+ Customers | Big Potential - (CML 11617)

A Beauty Business — With an Established Customer Base of over 12,000 and Multiple Opportunities to Grow

Looking for an established beauty business with a proven track record — but with plenty of room to take it to the next level? This could be the opportunity.

Currently for sale is a successful Spray Tanning business - this business has built an established customer base, strong reputation and proven demand, generating approximately \$72,000 annual profit to a working owner.

But the exciting part for the next owner is that the business doesn't have to remain solely a spray tanning business. The opportunity to expand into beauty!

The existing business provides an ideal platform for a buyer already working in the beauty industry to introduce complementary services.

Already a nail tech? Lash or brow specialist? Beauty therapist?

This could be your chance to walk into an existing customer base rather than spend years building one.

The potential is to leverage what is already working, which is a very well established business with a great reputation with hundreds of 5 star google reviews and add additional services around it.

The foundation is already there. Now it's ready for someone to take it further! Call Brie Hill today on 021 305 092.
