Established Premium Wedding & Event Hire Business — Waiheke Island. A once-in-a-decade chance to own the established leader in one of NZ's top destination-wedding markets

Two complementary businesses, sold together as one package:

1. Planning & styling — wedding planning, coordination, styling, and private/corporate events, plus newly launched in-house floristry.
2. Hire — Waiheke's leading event hire operation, with \$150K+ of curated inventory across ceremony pieces, furniture and marquees.
3. 16 years of brand equity, strong gross margins and active referral relationships with the Island's premium venues
4. 150sqm warehouse with mezzanine (leased, relocatable), plus high-top delivery van included
5. Professionally designed, SEO-strong website; 40K+ monthly social media impressions
6. Well-documented, cloud-based systems, with unrealised growth potential
7. Manager-run — a contractor has handled front-of-house through the FY25-FY26 seasons under owner oversight, so you step into a working business, not a project
8. Healthy forward bookings 6-12 months out, for cashflow and visibility from day one

Business Resources

FY26 combined revenue \$366,000, SDE \$167,000. Asking price \$500,000 (excl. GST) — sold as a single package, with two NZ Limited Companies transferring together.
