Established Pizza Business in Central Matamata

An opportunity to acquire a well-established independent pizza and takeaway business, ideally positioned in central Matamata.

Known locally for handcrafted pizzas, generous toppings and friendly service, the business has built a loyal customer base and a strong reputation within the community. The menu caters to a wide range of tastes and dietary preferences, including vegetarian, vegan and gluten-free options.

The business services takeaway, delivery and dine-in customers and benefits from a central Broadway location, providing accessibility for both locals and visitors. Customer seating, parking options and an established operational setup further enhance the appeal of the premises.

The business operates with a degree of management independence, offering a new owner flexibility to either retain the existing structure or take a more hands-on role to drive further efficiencies and growth.

There are a number of opportunities to build on the existing business, including stronger social media marketing, local partnerships, catering and group orders, and continued development of delivery and online ordering.

This is an established hospitality business with an existing brand, customer base and operating platform, providing a purchaser with the opportunity to take over an established operation and build on what is already in place.
