Niche Lawncare business for Sale. Non Franchise. Central & East Auckland. Great addon or Building block. 2 day work

Niche established professional lawncare business in Auckland due to the owner's retirement. The profitable business is based on a weed and feed style lawn service (no mowing) with a strong repeat customer base ensuring a strong recurring income and predictable work flow.

- At present covering Central and East Auckland
- An ideal building block either as a business for somebody starting new in the business, or as an add on to an existing lawncare / mowing/ lawn laying or landscape business
- Large repeat client base, based on mainly 8 weekly visits
- Huge potential to expand both outside its present operating area and into other landscape associated work.

Business Resources

Run by one person, work completed in 2 days/ week

- Business is expanding around 20% annually
- Low working capital input required for business
- Comes with a quality business website bringing in regular new leads

The ideal buyer fit will be somebody with a good knowledge of turf, soils, and turf spray applications. As well as good client interaction skills. Perhaps from the golf or sports turf industries.

The owner is willing to support and guide the new owner for an agreed period while transitioning to the new owner.

Low working capital and equipment needed
