Premium Eco Painting Business – Established & Profitable – Nelson Tasman

**** Turnkey opportunity to own the region's leading sustainable painting company.****

Pure Eco Painting Limited has built a commanding reputation as Nelson-Tasman's go-to specialist for premium interior/exterior painting, timber preservation, mineral painting & spray finishing. This is a rare chance to step into a fully established business with immediate market presence and a loyal, discerning client base across residential and commercial sectors.

What Makes This Special:

1. Premium Market Position – Unlike standard painting contractors, We're the only dedicated eco-painting specialist in the region.
2. Exclusive Sustainable Focus – Uses only natural, chemical-free paints and premium timber oils that deliver healthier homes and genuine environmental outcomes.
3. Diverse Revenue Streams – Interior/exterior painting, timber preservation, mineral finishes, and professional spray finishing services.
4. Established Reputation – Years of professional craftsmanship and exceptional customer experience ready to transfer to new ownership.
5. Growth Sector – Positioned in the high-growth sustainable building services market with increasing demand for chemical-free solutions.

Perfect for: An environmentally conscious entrepreneur, existing trade business looking to expand, or investor seeking a premium service business with strong ethics and solid foundations.

Location: Operating throughout Nelson and Tasman regions with strong local brand recognition.

Serious enquiries only. Full handover support and client database included. Price by negotiation – expressions of interest welcome.
