

Machinery Sales Business for Sale Taupo

A unique opportunity to secure an exclusive Agency selling a leading mini digger into the NZ market.

Dingo NZ imports from Australia the Dingo range of Mini Diggers and sells directly into the NZ market. Significant opportunities exist to establish dealer relationships together with raising the profile of these versatile and reliable mini diggers amongst landscapers, trades people, builders, farmers and anyone requiring access to tight spaces.

Described as 'hydraulic power plants on wheels', they have an established reputation in Australia for their toughness, user friendliness, and low down time. The machines are very popular within the hire sector in Australia.

Business Resources

Currently managed by the two Director/owners the business is located within a commercial building and occupying just 65sqm.
