

Earthmoving Business for Sale Mokau

Established North Taranaki Earthmoving Business for sale for the first time

Here's an opportunity to acquire a well-established earthmoving and rural contracting business with a strong reputation across the Mokau and North Taranaki region.

Chris Wise Contracting has built an enviable local presence over many years, providing earthmoving, cartage, transport and aggregate supply services to rural, residential and commercial customers.

Operating from a strategically positioned base in Mokau, the business benefits from strong local knowledge, established customer relationships and a reputation for reliable service.

Its location also provides an advantage in servicing the wider Mokau, Awakino, Tongaporutu and North Taranaki areas, where access, roading and rural infrastructure create ongoing demand for specialist earthmoving services.

The business is supported by an established fleet of heavy machinery and transport equipment, providing the capability to undertake excavation, cartage, material supply and delivery - giving customers a convenient, end-to-end service.

With a long trading history, recognised local brand and multiple complementary revenue streams, this is an excellent opportunity for an experienced operator or contracting business looking to expand its geographic footprint.
