A People-first, Kiwi-style Business Networking opportunity with potential to earn $6,000+ per month in first year working 10-16hrs per week

A Kiwi style business networking franchise with the **potential to generate approx $6,000 a month income within the first year of operation,** covering the Waikato- Coromandel region **is looking for a motivate person to partner with.**

The NetworkersNZ currently has 55 groups operating between Timaru and Palmerston North, providing an established platform, recognised brand and proven "Kiwi-style" networking model.

This business opportunity is designed around building relationships with local business owners and professionals, supporting existing members and helping grow the network by attracting new members.

You could successfully operate this region alongside your current business or job.

This is an ideal opportunity for those who want to:

1. own a purpose-led business in their local region.
2. help local business owners succeed.
3. transition out of full-time work into a mobile, flexible & meaningful business.
4. have a low-risk, home-based, supportive business model that is scalable, delivering recurring income and local connection.
5.

As a Franchise Partner, you will:

1. Launch and grow weekly "Kiwi-style" business networking groups within your region.
2. Support & promote your members/visitors/groups plus mentor group Facilitators.
3. Build trusted relationships that support small business growth.
4. Earn recurring monthly income through group memberships.
5. Have the potential to grow quickly in the first year to a $6,000/month recurring income (disclaimer - this is a projection based on other regions)

It's your chance to build a business that helps others succeed and be part of something bigger.
