

Business Networking Franchise for Sale Wellington Region

A People-first business-networking opportunity earning \$6,000+ per month | working 10-16hrs per week

An established business networking franchise already generating approximately \$6,000 per month in income, with an existing member base and an established network across the Lower North Island region.

The NetworkersNZ currently has 55 groups operating between Timaru and Palmerston North, providing an established platform, recognised brand and proven networking model. The Lower North region currently has approximately 150 members, providing an active community and opportunities for continued growth.

The business is designed around building relationships with local business owners and professionals, supporting existing members and helping grow the network by attracting new members.

The franchise can be operated on a part-time basis, with approximately 10-16 hours per week required. This includes attending each meeting once a month as the Franchise Partner, with the remaining time focused on member relationships, visitor follow-up and developing the network.

You could successfully operate this region alongside your current business or job.

This is an ideal opportunity for those who want to:

1. own a purpose-led business in their local region.
2. help local business owners succeed.
3. transition out of full-time work into a flexible & meaningful business.
4. have a low-risk, home-based, supportive business model that is scalable, delivering recurring income and local connection.

Key Features:

1. Approximately \$6,000 monthly income (with huge opportunity to grow quickly)
2. Approximately 150 current members in the Lower North region
3. Part-time operation of approximately 10-16 hours per week
4. Be part of an established network with 55 groups operating from Timaru to Palmerston North
5. Existing member community and recurring weekly networking meetings
6. Opportunity to grow membership and develop new business relationships

With an established member base, recurring income and a relatively low weekly time commitment, this presents an opportunity to take on an established networking business and continue developing the Lower North Island region.
