Muffin Break Northlands | Established Franchise

An exciting opportunity to acquire an established Muffin Break franchise in Christchurch.

Muffin Break is a well-recognised bakery cafe brand, known for freshly baked muffins, cakes and slices alongside barista-made coffee and a broad cafe offering.

Positioned within a busy shopping centre, the business benefits from strong natural foot traffic generated by the surrounding retail environment and regular flow of shoppers throughout the centre.

Importantly, the current owner does not work in the business, with the day-to-day operation managed by the existing team. This provides an opportunity for a new owner to continue with the current structure or become more actively involved in the business.
