# Hearing Clinic Business for Sale Auckland

## Established Audiology & Hearing Clinic Business for Sale - Auckland

Expressions of interest are invited from audiologists, hearing healthcare professionals, and strategic buyers in related industries for the acquisition of an established and profitable audiology and hearing healthcare business located in Auckland.

The business provides a range of audiology and hearing-related services and has developed an established client base and referral network. It operates with an experienced clinical team and an established operating model, providing an attractive opportunity for an existing industry participant, healthcare operator or suitably qualified purchaser.

The business has demonstrated a strong improvement in profitability in FY2026, supported by improved gross margins and a streamlined operating cost structure.

**Highlights**

1. Established Auckland audiology and hearing healthcare business
2. Experienced audiologists and clinical support
3. Established client database and referral relationships
4. Strong gross profit margins
5. Profitable FY2026 trading performance
6. Streamlined operating cost base
7. Opportunity for further growth through increased clinic utilisation, marketing and referral development
8. Suitable for an owner-operator or strategic industry purchaser

**Asking Price:** $360,000 plus GST (if any).

The opportunity may particularly suit an existing audiology or healthcare group seeking an Auckland presence or bolt-on acquisition. It may also suit an experienced audiologist seeking ownership of an established clinic without the time and cost associated with establishing a new practice from the ground up.

There is further potential to grow the business through increased clinic utilisation, development of referral channels, expansion of the client database and additional audiology services.

Location: **Auckland**

Asking: **$360,000 + GST if any**

Type: **Services-Professional** / **Services-Other**
