

Multi Income Automotive Workshop Business for Sale Auckland

Multi Income Automotive Workshop - High Profits, Growing Client Base

Auckland South: Working Owner earning above \$160K per year

Asking Price: \$450,000 + GST

This automotive business has been operating over 20 years and is equipped with multi-income set up with the opportunity to run two separate businesses under one company and one roof.

Key highlights:

- Consistent returns above \$150,000 for the past 4 years.
- Fully equipped with stock, equipment and assets (all included).
- Competitively priced lease for size and location of business.
- Skilled team in place to run the workshop with minimal supervision.
- Established relationship with leading suppliers and exclusive pricing.
- Growing client base including WINZ Authorised Service Provider.
- Capacity to add more options and services within the space.

Genuine buyers who are looking to enter this industry or are looking to expand their existing operations would be the ideal choice. The vendor is willing to continue working in a part-time capacity in the business for a period up to 6 months, if needed.
