

Mediterranean Kitchen and Grill Business for Sale Gisborne

Established Gisborne Restaurant & Takeaway - Approx. \$15K Weekly Turnover

Established restaurant and takeaway business in Gisborne with approximately \$15,000 weekly turnover. The premises are fully fitted with a substantial commercial kitchen, extraction system, preparation areas, refrigeration, customer counter and dine-in facilities. The business is suitable for an experienced hospitality operator, chef, family business or purchaser wanting to introduce their own concept without the expense and time of building a commercial kitchen from scratch. Dine-in, takeaway and delivery operations are already established. Further financial, lease and operational information will be provided privately to genuine prospective purchasers after initial enquiry. Serious enquiries only.

Resources

Business Resources

Fully equipped commercial kitchen with commercial extraction, cooking line, fryers, ovens, refrigeration, stainless-steel preparation areas, wash area and storage. Established customer counter, POS area and dine-in seating. Existing systems support dine-in, takeaway and delivery operations. Trained kitchen and front-of-house staff are currently in place. Further equipment and lease details available to genuine buyers.
