SALES, INSTALLATION & MAINTENANCE
Whangarei

Whangarei Sales, Installation & Maintenance. FY27 Profits \$595,000+

A well-known household name that's had a national presence across New Zealand for over 20 years.

On offer is the Northland territory, which includes a large customer base that needs ongoing servicing and maintenance, plus sales and installation for new customers. A key advantage of this long-standing proven performer is the diverse but manageable product range. Being able to offer multiple solutions to their clients is certainly an advantage in the marketplace.

The current owner is the general manager of the business and is well supported by experienced key team members and established sales & servicing teams. The business has professional systems in place for accounting, warehousing, HR, health & safety, and vehicle tracking.

No need to reinvent the wheel on this one, just follow the proven systems and take advantage of the genuine extended handover on offer from the exiting owner.
