Type: **Services-Other**

Dusky Plumbing & Electrical - Established, Profitable & Growing

A highly regarded plumbing and electrical business with an established market presence and an exciting growth story in the heart of a thriving rural economy.

Based in Tapanui and servicing West Otago, Eastern Southland and parts of Central Otago, Dusky Plumbing & Electrical has built an excellent reputation for quality workmanship, reliability and strong customer relationships.

The business operates across a diverse customer base, providing electrical and plumbing services to farming, horticulture, mining, forestry, commercial, transport and residential customers. This diversity, combined with the strength of the local farming sector, provides a resilient foundation and continuing demand for its services.

The business is currently experiencing strong growth, with YTD income for the first five months of the current financial year running 32% ahead of the same period last year. This positive momentum reflects increased activity across the district, particularly within the thriving farming sector.

If this current rate of growth continues, turnover for the current financial year is on track to exceed \$2.3 million, providing an exciting platform for a new owner to build on.

Priced at \$739,000, this is an excellent opportunity for an experienced trade operator seeking to acquire an established business, or for an existing plumbing or electrical company looking to expand its geographic footprint and customer base.

With established systems, experienced staff, strong goodwill and a proven trading history, Dusky Plumbing & Electrical represents an attractive investment opportunity.

Price: \$739,000
