Asking: **\$13,000,000**
Type: **Services-Other**

Integrated Infrastructure Services Group

Integrated Infrastructure Services Group

Three Synergistic Businesses. One Integrated Infrastructure Platform.

A unique acquisition opportunity comprising three complementary businesses operating across aggregate supply, transport logistics and consented clean fill disposal.

The Group services Auckland's civil construction, infrastructure, development and quarry sectors through a vertically integrated operating model supported by substantial assets, established systems, strategic land holdings and prime South Auckland locations. The integrated platform captures value across three stages of the infrastructure project lifecycle, providing customers with a coordinated supply, transport and disposal solution.

Investment Highlights

- Revenue diversification across multiple operating entities
- Significant asset backing
- Strategic land ownership
- Resource consent value and barriers to entry
- Long-established customer relationships
- Positioned within Auckland's Southern Growth Corridor
- Integrated supply, transport and disposal platform

Indicative Acquisition Value: \$13,000,000+

Ideal purchasers would include: Strategic Acquirer with existing management systems, Land/property Infrastructure investor, Clean fill/Waste management operator, Transport/Heavy Haulage, Quarry Aggregate, Civil/Infrastructure contractor

Over 90% of the investment value is supported by tangible assets, including strategic land and plant &
