Vending Machine Business for Sale Auckland

19 Machines | $250K | Auckland

This vending business features 14 sites with 19 machines across the Auckland area, all equipped with new 4G EFTPOS systems and online sales technology. Monitor sales conveniently from your phone, reducing time, staffing costs, and petrol expenses. The machines have proven sales records.

Additional machinery and parts are available to expand and tailor the business to your needs and lifestyle. Perfect for those looking to grow an existing operation or start a new venture. Currently located in a factory with reasonable rent rates, with the option to take over the lease or relocate to your own premises.

Serious buyers are invited to enquire for further details.
