Commercial Cleaning Master Franchise - NZ Rights

This is a rare chance to own the brand behind a commercial cleaning business. The sale includes the franchisor company, the trademark and brand name, and sole and exclusive rights to the New Zealand market.

Key Highlights:

- * Two income streams: franchise fees from two franchisees, plus income from sites serviced by the owner
- * Average earnings of \$190,438 per year over the last three years
- * 100% commercial work across Auckland, contracted directly with landlords, building owners and offices
- * Strong pipeline of work ready to pass on to new franchisees
- * Franchise agreements in place and ready to use
- * Quality cleaning equipment and a utility van included

Two ways to run it:

- * Franchisor: pass the owner-serviced sites to new franchisees and grow your franchise fee income
- * Owner-operator: service some sites yourself and leave the rest with the franchisees and enjoy royalty fees

Room to grow: All current work is in Auckland. The franchise structure is ready to take the brand into other regions. NZ commercial cleaning is a \$3.1bn industry, and more businesses are outsourcing their cleaning.
