Shades Direct Fantastic Opportunity

Backed by a National brand, could your trade skill and people skills become the foundation of your own business?

Shades Direct is offering an exciting opportunity to an Owner-Operator, to be the exclusive Agent for the Taranaki and Whanganui regions, operating under a nationally recognised brand with more than 25 years of experience in outdoor shade solutions.

With proven systems you will be providing customers with expert outdoor shade solutions from initial design and quoting through to installation.

The business operates under a straightforward model, with all products supplied by the established brand. This allows the owner to focus on customers, sales and building a strong local business backed by proven systems.

Key strengths:

- * Asking price of \$99K plus GST (if any)
- * Established national brand with 25+ years' experience
- * Exclusive Territory covering Taranaki and Whanganui
- * Technical and sales support provided
- * End-to-end involvement across design, quoting and installation
- * Opportunity to build and lead a local team
- * Identified as a potential top-performing Territory

The ideal buyer will be practical, commercially minded and confident working with people. A trade or hands-on background would be advantageous, with the owner take ownership of the full process, from quoting to installation.

A tidy, late-model, sign-written van is required to operate the business, providing a professional presence across the Territory.

With a proven brand, exclusive Territory, comprehensive support and a relatively low-cost entry into business ownership, this is an opportunity for a tradesperson ready to take the next step from working in the trade to owning the business.
