Sugar & Spice Tauranga — Candy, toy, artisan food and Ice Cream Shop, Low Overheads, Ready for Summer

Take over Sugar & Spice, a colourful candy and ice cream shop in Tauranga's Historic Village, ahead of summer.

Offering pick 'n' mix lollies, specialty sweets, toys, gifts, real fruit ice cream, Tip Top and Duck Island ice cream, the shop attracts families, locals and visitors. Over 260,000 visitors to the village per year.

Low overheads and an established setup make this an appealing opportunity for a hands-on owner. An online store provides additional sales potential, with scope to grow gifting, party bags and seasonal promotions.

Seeking a buyer to take over day-to-day operations and make the most of summer and school holidays. Enquire for pricing and sale details.

Price plus GST, if any. Intended sale as a going concern.

Business Resources

Existing retail fit-out in leased Historic Village premises, with lolly displays and an operating ice cream offering. Shopify online store and established branding support both in-store and online sales.

Equipment leasing, stock, staffing arrangements, lease transfer and any handover assistance will be clarified with interested buyers, along with the assets included in the sale. Includes stock.
