

Kids Football Program Business Opportunity for Sale In your Community

Manage your own New Zealand founded kids football business with equipment, training, systems support, flexible hours and opportunities to grow. Little Dribblers FC Licenses from \$7,500

Founded in Wellington in 2003, Little Dribblers FC is a New Zealand developed football program for beginners aged 1-7. We create a welcoming, realistic football experience with team kits, painted pitches, goals, corner flags and referees.

Our market is families seeking enjoyable first sporting experiences for their children. New licenses are available throughout New Zealand, with exclusive areas available by agreement.

Start with a two or four pitch package, then add venues, a branded vehicle or technology as your budget and ambitions grow.

Equipment, training, registration and payment systems, marketing support and ongoing assistance help you build your business.

Enjoy flexible hours, income opportunities through registrations, product sales and sponsorships, and the satisfaction of helping children discover football.

Business Resources

The license provides access to the Little Dribblers brand, program knowhow and operating methods developed since 2003.

Packages include balls, goals with nets, corner flags, bibs and pitch-marking equipment for two or four pitches.

Online systems manage registrations, invoicing, payments and family communications. Four hours of training includes onsite help, supported by marketing assistance and ongoing support.

Owners run sessions with local referees or helpers.

Branded vehicles and additional technology are optional.

Existing Venue Licenses also available in the Wellington Region
