TOTALSPAN DUNEDIN
11 Brighton Rd, Green Island

Who Can? Totalspan Otago! Shed Loads of Profit at \$279,000+

If you're practical, organised and good at managing people and projects, this one's built for you.

Totalspan Otago is an established, systemised construction franchise with a large exclusive territory. It sells steel-framed garages, sheds, barns and commercial buildings to homeowners, lifestyle blockers, farmers and businesses.

You don't need to be a builder. A loyal, long-standing team of subcontractors does the physical work. Your job is to run the business: quote, consent, coordinate and deliver.

The model is simple and it works. Strong working owner profits, healthy margins, and customers who pay in stages so the cash keeps flowing. There's a national brand generating leads, proven systems behind every job, and a low-cost base in Green Island.

And the kicker? Dunedin is growing. Thousands of new homes are planned and billions in major construction is on the way, so the next owner is stepping in at exactly the right time.

Business Highlights

- Shed loads of profit: \$279,000+ to a working owner
- Steel strong margins of 37.6%
- Subbies swing the hammers, you run the show
- Customers pay up front in stages, so cash flow stays strong
- National brand keeps the phone ringing

There's only one Totalspan Otago, and there won't be another. If you've been waiting for the right business, call Jono Kennedy on 021 045 3871 before someone else does.
