Established Construction Cleaning Business & Franchise-Ready Brand - Wellington

Wellington, New Zealand | Confidential Expressions of Interest

An opportunity to acquire an established specialist construction cleaning business with developed operating systems, established industry relationships and potential for regional expansion.

The business focuses exclusively on construction cleaning, serving the needs of builders and developers.

Key features

1. Established construction cleaning niche.
2. Developed systems, procedures and operational processes.
3. Franchise-ready operating model with potential for expansion.
4. Existing industry relationships and business infrastructure.
5. Opportunity for an established operator or entrepreneur to scale the model.

The owners are seeking to sell the entire business and brand, with the scope of assets and intellectual property to be confirmed with qualified buyers.

Confidential enquiries and indicative offers are invited. Further financial and operational information will be available to suitable prospective purchasers following confidentiality arrangements.

Price: Offers invited.

Please enquire through the listing platform in the first instance.

Business Resources

The business has established operating systems, documented processes and procedures, industry relationships, and a developed brand with franchise expansion potential. A flexible team supports service delivery, with equipment and resources suited to construction cleaning. The business operates without requiring the owners' day-to-day involvement. Handover assistance can be provided to support a smooth transition, including guidance on systems, operations and client relationships.
