Concrete cutting and drilling business Business for Sale Waiheke Island

Established 25-year Waiheke concrete cutting business offering steady income, loyal clients, and complete operational flexibility.

Operating for over 25 years on Waiheke Island, this trusted sole-operator business specializes in professional concrete cutting and drilling services for residential and commercial clients.

We serve a stable, growing local construction and renovation market with a proven history of loyal, repeat customers. Operating as a streamlined sole-operator model, the business offers great flexibility, strong profit margins, and reliable work.

Key Benefits:

1. Established 25+ year reputation and loyal client base
2. High demand on Waiheke Island with consistent repeat work
3. Ideal lifestyle business for a sole trader, local resident, or Auckland commuter looking for immediate income and flexibility.

Business Resources

Staff: Operated entirely by a single owner-operator with no permanent staff overhead.

Equipment: Fully equipped Toyota Hiace van, with specialized concrete cutting and drilling gear ready for immediate operation.

Premises: Home-based model offering low overheads and flexible mobility across Waiheke Island.

Systems & Assistance: Established operational workflows with comprehensive vendor and client networks. The owner will provide a full handover and transition period to ensure continued success.
