# Wood Fired Pizza Business for Sale Nelson

# For Sale

Location: **Nelson**
Asking: **POA**
Type: **Retail-Food Takeaways**

## Turnkey Pizza Place – established & low overheads, huge growth potential

An incredible opportunity has come up to own a fully equipped, turnkey pizza business. Located in a cool community with a loyal local customer base.

An established wood-fired pizza business in the growing area of Atawhai, Nelson, an all year round business operating just 11 hours over three days a week. This well-supported local business offers significant potential for expansion by extending to six days and longer hours.

The sale includes a container equipped with all newly purchased equipment from 2024, including an authentic pizza oven, a stainless steel pizza counter with refrigerator, a small undercounter freezer, display fridge, and a real fruit ice cream machine. This setup is perfect for anyone looking to enter the hospitality industry with a turnkey operation.

The business is preferably sold on-site with a lock and key, and the current owner is happy to assist with the transition. However, if desired, the entire container and oven can be relocated at the buyer's expense. This is a genuine sale driven by personal reasons.

Enquire today to explore this unique opportunity in a growing community with little competition for takeaway food.

### Business Resources

**Premium Assets Included:** Beautifully painted container by an amazing local street artist, fitted with commercial kitchen. Authentic 900 commercial pizza oven. Pizza refrigerator, dough mixer, prep stations, little jem ice cream machine and 2 freezers and POS system (all fully owned, no lease encumbrances). All purchased new in 2024.
